Welcome!

ENERGY DATA HACKDAYS

12-13th of September 2024 in Brugg, Switzerland

ENERGY DATA HACKDAYS

The Challenge

ETH zürich

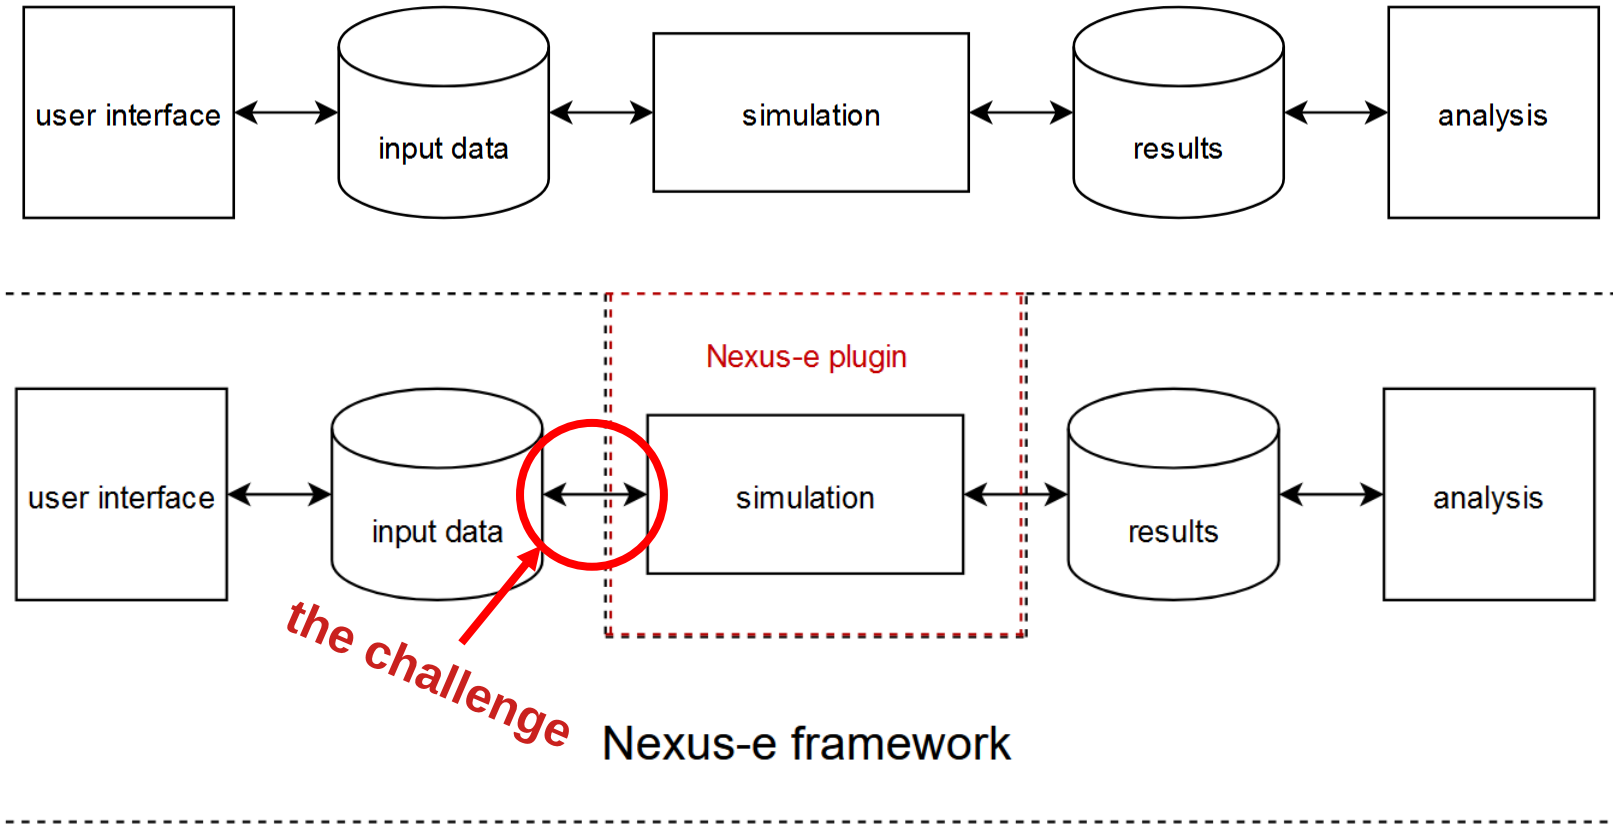

Energy Science Center

Orchestrating energy system simulations from different models

Nexus-e

ENERGY DATA HACKDAYS

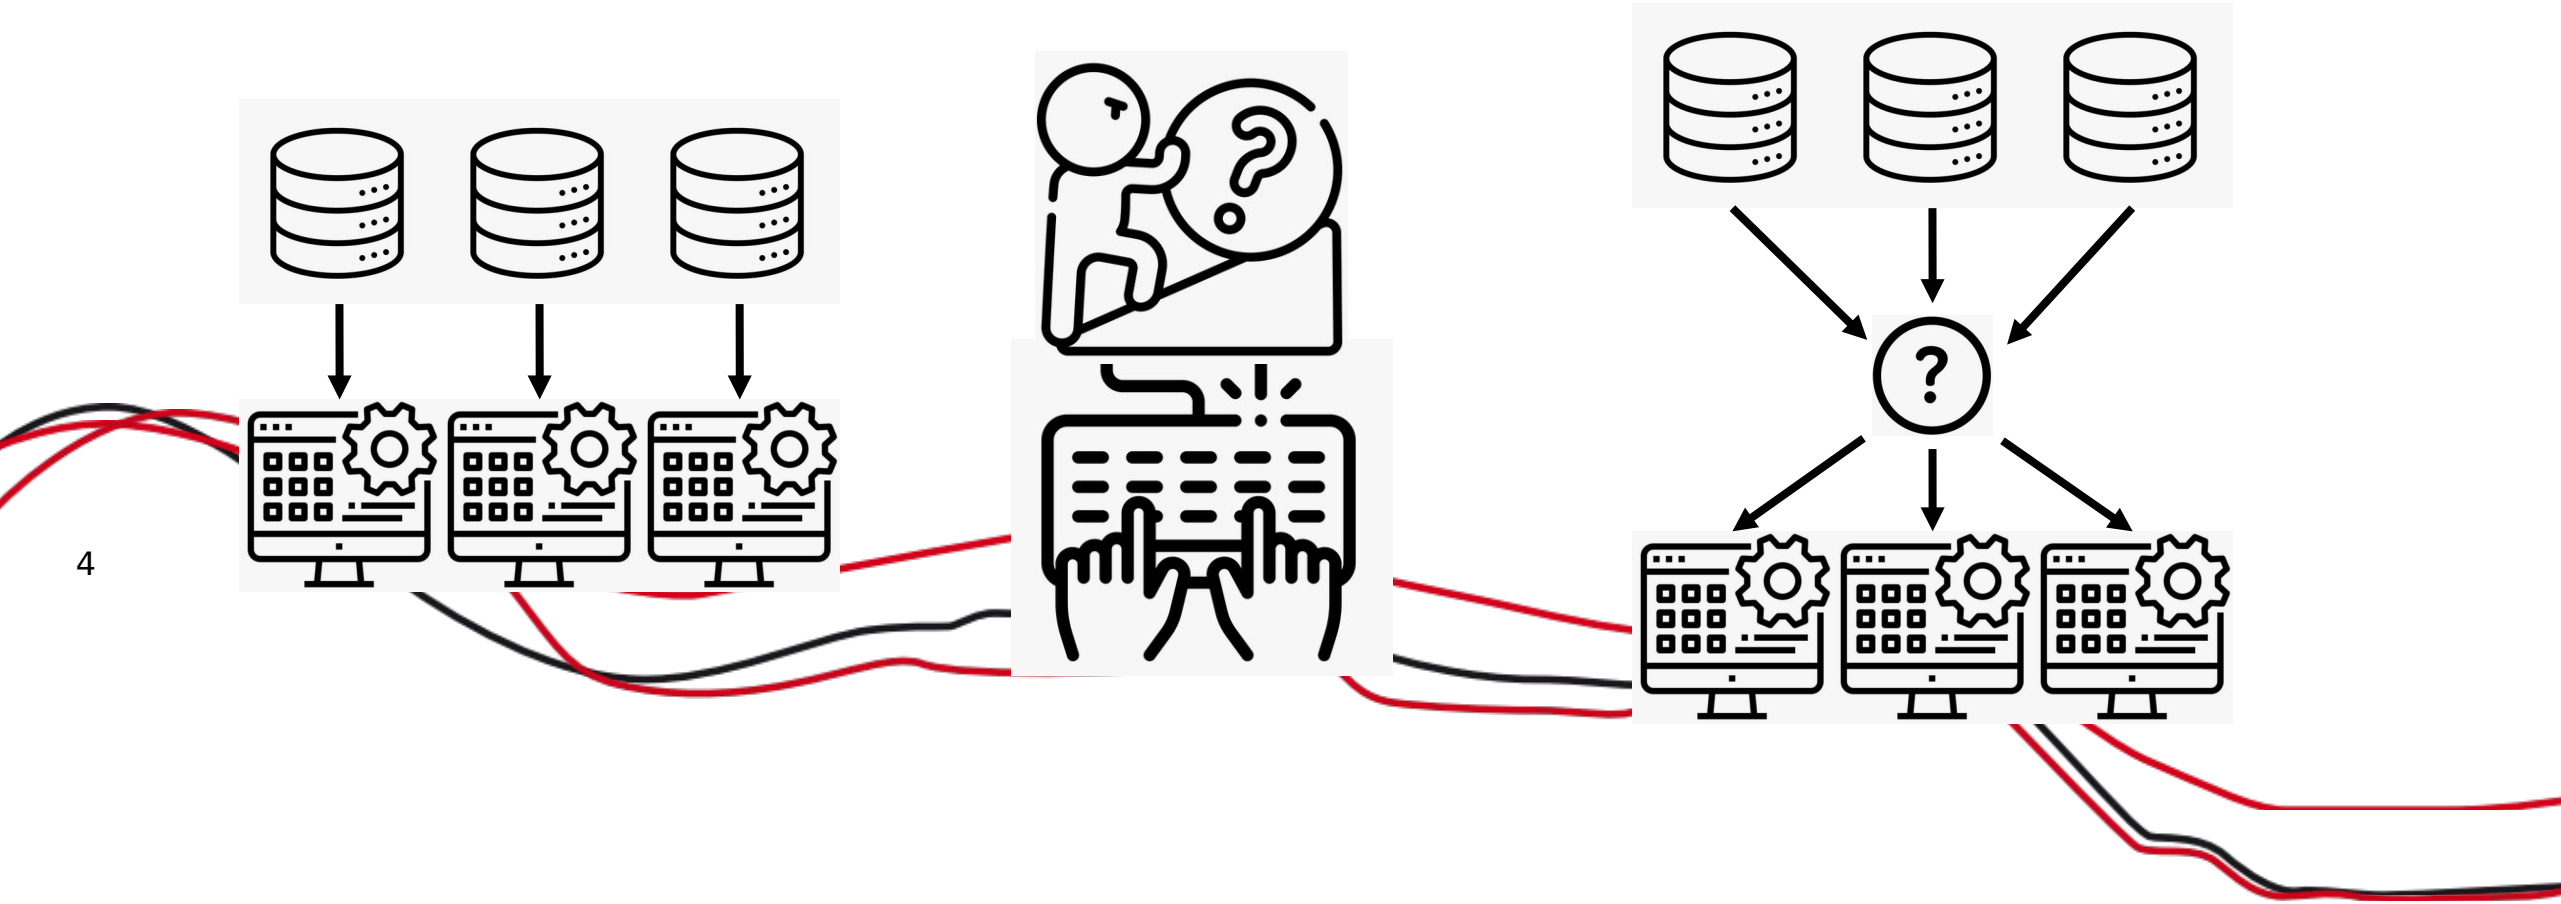

The big plan

ENERGY DATA HACKDAYS

The idea

- Design a library to interact with cross-model data

The resources

- 2 models, 3 sets of data
